School Community Council Officers and Principals:

This email is to let you know that the School LAND Trust Plan approved by your school community council has now been approved by your local school board. To view a copy of the School Plan for the upcoming school year, click the link below. Please review it to be sure it reflects the decisions agreed to by your school community council.

<https://secure.utah.gov/slt-admin/public/approvedPlan.html?spid=2468>

If you have any questions, please contact your principal. You may also contact your district or the School Children's Trust that administers the School LAND Trust Program.

Thank you for your service on the council.
