The accounting system for the lunch and breakfast programs is completely computerized. All meals must be paid in advance. [Extra Milk .50](#)

### Fee Waivers.

Parents of secondary age students are required to verify income with the school secretary if requesting a fee waiver.

Middle and high school students **absolutely will not** be allowed to charge meals.

Elementary students may only charge in an emergency. A maximum of *five elementary school emergency meals can be charged*. After that, students will not be allowed to eat school meals.

High School Seniors who need to request a refund must do so through the District Office in Huntington, UT before the end of **June**, the year of graduation.

**We do not give change.** This applies to both cash and checks. All money will be applied to your child's account. **Please include child's account number on check.**

We recommend that parents deposit at least one week's lunch and/or breakfast money in their child's account at a time. Checks are best because parents can be sure that the money goes entirely for meals, not other things. We accept and encourage payment for the full term or year.

Money must be put in the student's account before the student goes through the cafeteria line. There must be sufficient money in the account to pay for that day's meal.

Deficit notices are sent to parents of students who have deficits. Please note the date of the notice. The amount listed will bring the student's account current only to that date. The amount paid after the date on the deficit notice should reflect meals charged since the notice was sent and include payment for future meals as well.

**This section is only for those applying for free or reduced price meals**

**Family Free and Reduced application should be filled out online!!!**  
[www.aspire.emeryschools.org](http://www.aspire.emeryschools.org)

- When parents submit an application for free or reduced price meal benefits, they are notified by mail of their child's qualification status.
- These benefits do not start until the application has been approved,
- When a student qualifies for free meals, he/she goes through the cafeteria line without charge. Only the computer operator (who keeps this information confidential) knows who is getting free, reduced, or paid meals.

Concerns or questions should be directed to the school's lunch clerk, or **Jeneane Warren at the District Office 435-687-4905. Calls from outside our calling area maybe made collect to 435-687-4905. Or email [warrenj@emeryschols.org](mailto:warrenj@emeryschols.org)**

**This institution is an equal opportunity provider.**
