Dear Parent / Guardian:

The Emery County School District does not provide health or accident insurance for children at school. Because children are particularly susceptible to injuries, we encourage you to review your present health and accident insurance coverage(s) to determine if they are adequate. If you do not feel your insurance is adequate, we encourage you to review the student insurance program available through Myers-Stevens. This plan will provide benefits for medical expenses incurred due to an accident. An explanation of the cost and benefits is explained in the materials provided by Myers-Stevens. This coverage is available starting June 1, 2022 for the summer camps and school year 22-23.

The program is underwritten by ACE American Insurance Company located in Philadelphia, Pennsylvania, and is administered by Myers-Stevens of Mission Viejo, California.

If you are interested in obtaining Student Accident and Health Insurance from Myers-Stevens, we encourage you to review the application materials closely. Application should be made directly to Myers-Stevens using the online enrollment link below:

Questions regarding this coverage should be directed to Myers-Stevens at 800-827-4695, but you are also welcome to contact me. Bilingual representatives are available for parents who need assistance in Spanish.

Sincerely,

Emery County Board of Education  
And School Principal
